

Mandatory Kindergarten Sight Words

Kindergarten students entering Weston Christian Academy in August of 2018 will be required to master the following sight words before completing Kindergarten. The K5 teachers will be working from this list throughout the school year; however, parents will need to be working with their K5 students at home as well. If you would like to get a head start on helping your child learn the required words early, the mandatory sight word list for K5 is provided below.
